Subject: Extension of Expiration Date for ASME Certificates of Authorization "N" & "NPT" (N-3328 & N-3329) Exp. 3/6/2015

Dear Mr. Poteat:

This letter is to serve as an extension of expiration date for the subject Certificates for which the current expiration date is March 6, 2015 and was previously extended to May 11, 2015.

Since the results of the ASME survey conducted on January 21-23, 2015 are presently being evaluated by the ASME, this extension will allow sufficient time for the evaluation to be completed. Therefore, this extension will expire on **June 5, 2015** or upon the completion of the evaluation of the survey results, whichever comes first.

Sincerely,

Edgar Suarez
