Subject: ASME Certificate of Accreditation for ValvTechnologies LLC (44195)
Certificates: N-3328, N-3329, Exp. 5/3/2024

Dear Mr. Whittaker:

This letter is to serve as an extension of the expiration date for the subject Certificates for which the current expiration date is May 3, 2024.

Since the issuance of the renewed Certificate is on hold due to committee review, this extension will allow sufficient time for the certificate issuance process to be completed. Therefore, this extension will expire on June 7, 2024 or upon the issuance of the renewed Certificate, whichever comes first.

If you have any questions, please do not hesitate to contact this office at ca@asme.org.

Sincerely,

Andy Ruan, Secretary,
Committee on Nuclear Certification
